

ANNUAL REPORT

2022

ENVISION

Central Oregon is now the only region in the state without a Children's Museum. Consequently, our children and families are left without easily accessible resources for informal education opportunities and learning through play. We envision a Central Oregon community where all children have access to hands-on learning that enriches their development.

REIMAGINE

As we come out of the uncertainty of the last two years, we want to thank you for your continued support. The board has undergone significant change as a result of the pandemic and we have a renewed dedication to establish CMCO as a cornerstone of STEAM learning in Central Oregon. After working as a museum without walls for a number of years, we are now reimagining CMCO as a museum WITH walls in a permanent space and we are all excited to see this vision come to life.

In 2022 we officially joined the Association of Children's Museums and the Bend Chamber of Commerce. We held our first STEAM event since the pandemic at the Heart of Oregon Corp event in the fall - where we loved engaging with everyone again! We started a quarterly newsletter to keep everyone up to date with our progress and worked with a consultant to update and refine our business plan and strategy to build a permanent home for the museum. Last, but not least, we launched our "Kick off to Building" campaign to raise funds to design the visitor experience master plan for the museum.

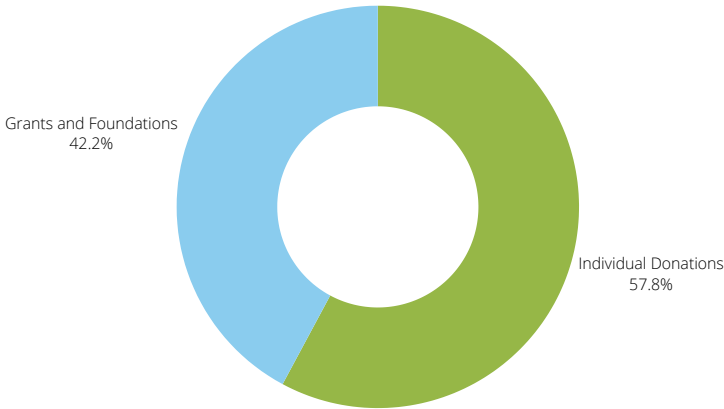

FINANCIAL STATEMENT

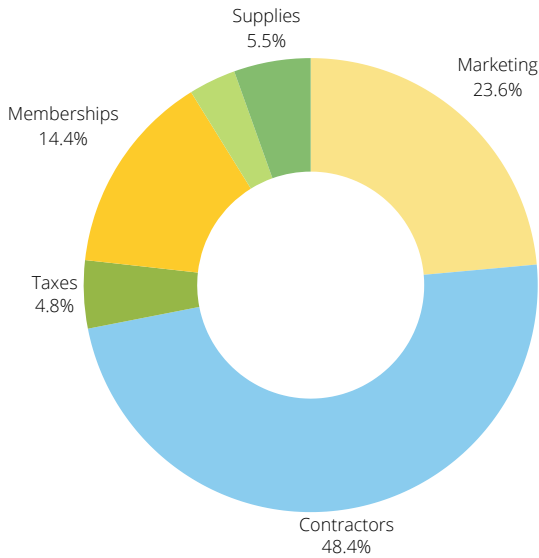

CMCO is a 501(c)3 nonprofit organization that provides hands-on STEAM experiences for children and families in Central Oregon. We are currently operating as a museum without walls and plan to build a permanent children's museum in Bend, Oregon. Donations qualify for a charitable tax deduction.
